

## Health & Safety Information for Emergency Response [Internet Links](#)

The following are Internet Web page links to health and safety information that may be useful in preparing guidance documents for local Offices of Emergency Management (OEM) and emergency responders. Some are links to specific documents others are links to Web pages with information and downstream links to specific documents on topics of interest.

Please feel free to contact Eric Weren, NJ Department of Health & Senior Services, Public Employees Occupational Safety and Health (PEOSH) Program, at [eric.weren@doh.state.nj.us](mailto:eric.weren@doh.state.nj.us) with additional links you find useful so they can be added to this list.
